## Mamma Mia

Families enjoy the atmosphere at Mamma Mia, which features a dining room with dozens of mirrors, crystal chandeliers and tones of red, green and gold. The kids' menu is filled with noodle dishes, such as pasta with olive oil and garlic or butter and cheese, linguine with tomato sauce and a meatball, and cheese-filled ravioli. Other children's choices are mini-cheese pizzas, chicken fingers with dipping sauce and fried zucchini topped with grated cheese. For adults, there's a wide range of dishes from Southern Italy--think gnocchi, ravioli and veal, chicken or eggplant parmesan..
